3 Bedroom, 2.50 Bathroom, 3,133 sqft

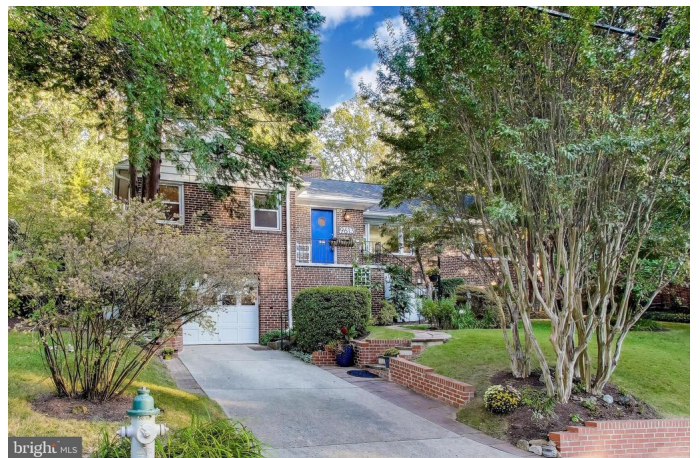

Residential on 0.23 Acres

NORTH HILLS, Silver Spring, MD

Welcome to this 3-bedroom, 2.5-bath Mid-Century Modern home, where timeless character meets modern updates. Set behind a classic brick-and-siding exterior, this home offers both comfort and functionality with an inviting floor plan.

Step inside to find refinished hardwood floors that flow through the main level, a spacious living room with a charming entry way and coat closet, a cozy fireplace, a formal dining room, and a beautifully renovated kitchen designed for everyday living and entertaining. A second fireplace adds warmth and charm to the lower-level family room, while a four-seasons room (with A/C and electricity) overlooks the fenced backyard, perfect for enjoying quiet mornings or gatherings with friends - both the back yard patio and the walkway are flagstone; and the garden just outside the kitchen is perfect for growing all the herbs you will need in a season. The garage is spacious enough for a workshop, considering it was built as a two-car tandem garage. The entry level mud room is used for additional storage.

The partially finished basement includes a laundry room and space for an additional bedroom, offering 2 clothes closets and plenty of flexibility to use this room as another bedroom, office or family room. Upstairs, a huge full-size attic provides incredible storage or future expansion possibilities.

With its blend of mid-century style, thoughtful updates, and space to grow, this home is ready to welcome its next owners.
